

Masters Student Graduate Guidance Interview Form

School of Biological Sciences

The Guidance Interview is instructive for registering for classes, for explaining Specialization specific procedures and for addressing general questions. Ideally the Graduate Guidance Interview should occur before the first day of classes, in the student's first year. Please include classes that will be taken by the student in their first semester. The final table indicates what forms are needed and when the form is needed. If you have any questions please contact the Graduate Secretary.
